78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. DOMINION ORDERS IN COUNCIL.

P.C. No. 1527,

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 21ST AUGUST, 1929.

THE Committee of the Privy Council have had before them a report dated 31st July, 1929, from the Minister of the Interior, submitting that The Edmonton, Dunvegan and British Columbia Railway Company has applied for letters patent covering lands required for the right-of-way of the railway in the North-east Quarter of Section 36, Township 71, Range 2, west of the 5th meridian, in the Lesser Slave Forest Reserve, in the Province of Alberta, which may be more particularly described as follows:—

That portion of the North-east Quarter of Section 36, Township 71, Range 2, west of the 5th meridian, taken for railway right-of-way purposes as shown coloured pink on a plan of survey of the Edmonton, Dunvegan and British Columbia Railway, signed by J. L. Côte, D.L.S., on the 14th day of August, 1916, approved and confirmed by E. Deville, Surveyor-General, on the 30th day of October, 1916, and of record in the Department of the Interior under No. 24696, a duplicate whereof is on record in the Land Titles Office of the North Alberta Land Registration District at Edmonton under No. B.K. 6920, and containing by admeasurement one and fourteen hundredths (1.14) acres, more or less.

The Minister states that as only a small portion of this railway lies within the Lesser Slave Forest Reserve, and as letters patent have been granted free of charge for the right-of-way outside the reserve, it is deemed advisable to grant the Railway Company letters patent for the small area within the reserve.

The Minister therefore recommends that he be authorized under the provisions of section 18 of the "Forest Reserves and Parks Act," chapter 78, R.S.C. 1927, to grant letters patent to The Edmonton, Dunvegan and British Columbia Railway Company for the above-described land in consideration of a nominal purchase price of \$1.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

DOMINION ORDERS IN COUNCIL.

P.C. No. 1579.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 21ST AUGUST, 1929.

THE Committee of the Privy Council have had before them a report, dated 12th August, 1929, from the Minister of the Interior, submitting that by Order in Council of the 18th of June, 1925, the Abernethy-Lougheed Logging Company, Limited, which is operating extensively in the vicinity of Stave Lake, in the Railway Belt, in the Province of British Columbia, was granted permission to export certain cedar timber for a period of six months; that in consequence of the congested state of the cedar market several extensions of time have been granted by Orders in Council to the said company permitting them to continue exporting, the last extension granted being six months from the 22nd of January, 1929, the date of expiry being the 22nd ultimo.

This privilege has been of benefit not only to the Company in question, but is working out to the satisfaction of the local timber merchants, as it enables a large quantity of low-grade cedar to be taken from the booms which is not in demand locally, and such action also encourages the logging of a good deal of timber that would otherwise be unmerchantable.

The applicant has applied for a renewal permit, the intention being to export low-grade cedar logs only to the Japanese market.

The Minister, being satisfied that the applicant is not taking any undue advantage of, or endeavouring to exploit an export trade to the detriment of the local mills, and being of the opinion that it would be in the public interest, recommends that a further extension of six months from the 22nd of July, 1929, be granted to the said Company to export cedar-logs, subject to the payment of dues as authorized by the last Order in Council, dated the 9th of February, 1929, i.e., \$3 per thousand feet B.M. on logs grading No. 1, \$2.50 per thousand feet B.M. on logs grading No. 2, and \$2 per thousand feet B.M. on logs grading No. 3, these rates being in excess of those charged under the regulations governing the disposal of timber cut from licence berths on Dominion Lands, the operations to be subject to such conditions as he may determine and the mills in the district to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

The Committee concur in the foregoing recommendation and submit the same for approval.

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Wednesday, the 21st day of August, 1929.

PRESENT.

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

WHEREAS by an Order in Council, dated the 26th April, 1922, P.C. 868, section 34 of the regulations governing the disposal of the petroleum and natural gas rights, the property of the Crown in the Western Provinces and Yukon Territory, approved by Order in Council, dated the 19th January, 1914, and amended by subsequent Orders in Council, was amended to provide that no well for the discovery of petroleum and natural gas shall be bored or drilled within two hundred feet of any of the boundaries of the location described in the lease, except in accordance with regulations duly approved by the Minister.

And whereas the Minister of the Interior reports that the location comprised in a petroleum and

natural gas lease may include parcels of land on either side of a road allowance or roadway, and in order to prevent wells being drilled adjacent to a road allowance or roadway to the annoyance of the public, it is considered that the regulations should be amended.

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that said section 34 of the above-mentioned regulations be and it is hereby further amended by the insertion, after the word "lease" of the words "or of any road allowance or surveyed roadway which intersects the location."

P.C. No. 1637.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 11TH SEPTEMBER, 1929.

THE Committee of the Privy Council have had before them a report, dated 16th August, 1929, from the Minister of the Interior, submitting that the Council of the Township of Chilliwack, B.C., have made application for a free grant for park and recreation-grounds for the lands described as follows: "Being in the Twenty-sixth Township, east of the Coast meridian, in the New Westminster District, in the Province of British Columbia, and composed of: Firstly, Legal Subdivision Three and the East Half of Legal Subdivision Four of Section Nine of the said township, as the said section is shown upon a map or plan of survey of the south-west quarter of the said township approved and confirmed at Ottawa on the 30th day of May, A.D. 1907, by Edouard Deville, Surveyor-General of Dominion Lands, and of record in the Department of the Interior, containing by admeasurement fifty-nine and twenty-five hundredths acres, more or less; secondly, all that portion of Legal Subdivision Fifteen of Section Four of the said township which lies to the north of the northern limit of Lot Four hundred and thirty-nine, Group Two, as shown upon the said map or plan of survey of the south-west quarter of the said township, containing by admeasurement ten and fifty hundredths acres, more or less; thirdly, all that portion of Legal Subdivision Fourteen of said Section Four which lies to the north of the said northern limit of Lot Four hundred and thirty-nine, Group Two, as shown upon the said map or plan of survey of the south-west quarter of the said township, containing by admeasurement ten and forty hundredths acres, more or less; and, fourthly, all that portion of Legal Subdivision Thirteen of said Section Four as the said section is shown upon the said map or plan of survey of the south-west quarter of the said township, which said portion lies to the east of a line drawn parallel to and five chains perpendicularly distant easterly from the west boundary of said Legal Subdivision Thirteen and to the north of the northern limit of Lot Four hundred and thirty-nine, Group Two, and the production westerly thereof, containing by admeasurement thirteen and forty hundredths acres, more or less; the lands above described containing by admeasurement together ninety-three and fifty-five hundredths acres, more or less."

The Minister states that it has been represented by the Council that these parcels would make a desirable playground, giving a beautiful outlook over the entire Chilliwack Valley;

That it has also been stated that the Provincial Government has signified its willingness to convey title to Lot 527, being the southerly portion of Legal Subdivision Fourteen of Section Four, Township Twenty-six, east of the Coast meridian, in the event of the Dominion Government granting the request of the Corporation with respect to the lands above described;

That the lands affected have been reported by officers of the Department of the Interior to be admirably adapted for recreation-grounds; and

That the lands applied for are vacant and available for the purposes indicated.

The Minister therefore recommends that, on the Provincial Government of British Columbia executing an agreement to transfer Lot 527 to the Municipality of the Township of Chilliwack, he be authorized to issue a free grant to the Municipality and Township of Chilliwack for the above-described lands for the purpose of a park-site and recreation-grounds; letters patent, when issued, to contain a proviso that the lands are to be used only for the purpose for which they are conveyed.

The Committee advise that the requisite authority be granted accordingly.
